Re: **Tropp v. Conair Corp. et al.**
Civil Action No. 1:08-cv-04446

Dear Magistrate Judge Mann:

We are counsel for plaintiff. We write in connection with our most recent appearance before the Court, at which the Court granted the defense request to defer the scheduling of discovery pending Judge Vitiliano's decision on defendants' motion to stay the case until the validity of the patents was determined in the related case.

As Your Honor is no doubt aware, Judge Vitiliano issued his ruling in the Travel Sentry case on September 24th and validated our client's position regarding the patents in suit. For this reason we write to request the immediate entry of a scheduling order along the lines discussed and per the Court's ruling at the last conference in May. Naturally we are available for a conference if the Court believes this necessary.

Respectfully submitted,

Ronald D. Coleman
